GEORGIA BOARD FOR PHYSICIAN WORKFORCE SCHOLARSHIP PROGRAM

PURPOSE OF THE PROGRAM

The Georgia Board for Physician Workforce Scholarship Program was created in 1952 to provide a supply of physicians for rural areas of the State and to help defray the cost of medical school for Georgia residents who desire to practice medicine in rural Georgia. The service repayable scholarship will provide up to $20,000 per year to help pay the cost of medical school in return for a contractual obligation to practice primary care medicine full-time (a minimum of 40 hours per week) in a Board-approved Georgia county with a population of 35,000 or less. For the purpose of this program, primary care medicine is defined as family medicine, general internal medicine and general pediatrics.

All applicants must be legal residents of the State of Georgia and citizens of the United States. In order for an application to be considered by the Board, the applicant must be accepted into an L.C.M.E. or A.O.A. accredited medical school located in the United States offering the degrees of Doctor of Medicine (M.D.) or Doctor of Osteopathy (D.O.). All scholarship recipients must pursue a course of study that will allow them to qualify for licensure by the Georgia Composite Medical Board.

Successful applicants must exhibit a strong commitment to practice primary care medicine in rural Georgia (a Board-approved Georgia county having a population of 35,000 or less). Additional priority will be given to those applicants who demonstrate financial need. The applicant is required to disclose his/her own financial information.

Applicants who currently hold other service obligations are not eligible to apply.

The Board is charged with receiving and acting upon all applications for scholarships made by students who are residents of Georgia who desire to become doctors and who make a contractual commitment to practice primary care medicine full-time in an approved Georgia community.

FINANCIAL HARDSHIP

Applicants wishing to display a substantial financial hardship should submit a copy of his or her Student Aid Report (SAR), the official summary of the Free Application for Federal Student Aid (FAFSA). This report will be used by the board in assessing the financial need of the applicant outside of the GBPW provided financial forms. Applicants need only include this report if demonstrating substantial financial need for scholarship funding.

CONTRACTUAL OBLIGATIONS

All scholarship recipients are required to sign a contract with the Georgia Board for Physician Workforce agreeing to the terms and conditions upon which the scholarships are granted. This contract establishes the amount of the scholarship award, the date of the contract and the corresponding census count used to determine eligible practice locations, as well as the terms and conditions of program participation pertaining to medical training, obligated service and the conditions of default and cash repayment.

For each year of full-time primary care medical practice in a Board-approved Georgia county having a population of 35,000 or less, or at any hospital or facility operated under the jurisdiction of the Georgia Department of Public Health, Georgia Department of Behavioral Health and Developmental Disabilities, the Georgia Department of Corrections or the Georgia Department of Juvenile Justice, the recipient will receive credit for the amount of scholarship funds which he or she received during any one year in medical school. The authority for county populations is the Decennial Census Count of the United States Bureau of the Census effective at the time the initial scholarship contract is signed.

AWARDING AND FUNDING OF SCHOLARSHIPS

Scholarship funding is based upon the amount of funds appropriated to the Georgia Board for Physician Workforce by the Georgia General Assembly. The funding amount for scholarship awards during the 2014-2015 academic year will be up to $20,000 each. Upon the submission of a signed contract and verification that the student is enrolled in the medical school named in said contract, scholarship funding is authorized. Scholarship funds are disbursed directly to the medical school to address yearly tuition and fees with any remaining funds being disbursed to the student by his/her medical school.

CONTRACT RENEWAL

The contract term is one year. Contracts may be renewed for an additional one-year term up to

three times. The total number of awards any recipient may receive is four. Contracts will not be issued for repeat coursework. Each scholarship recipient is required to complete and submit an annual report to the Board concerning their status in training.

The Annual Report includes:

A. All current and valid contact information
B. Medical school enrollment status and verification of good academic standing
C. Date of graduation
D. Plans for specialization
E. Continued interest and recommitment to rural practice

SCHOLARSHIP REPAYMENT OBLIGATIONS

Each recipient is required to obtain Board approval of any proposed practice location. Credit for practice repayment is applied as one year of funding for each year of service rendered in compliance with the repayment provisions of the scholarship contract. Practice without written Board approval will not be credited toward the satisfaction of the contractual service obligation.

The recipient must practice primary care medicine full-time, a minimum of forty hours per week, in the Board approved practice location. If a recipient changes practice location for any reason, he/she must request Board approval of any subsequent practice location.

STUDENTS DISMISSED OR WITHDRAWN

In the event a scholarship recipient is dismissed from medical school for either academic or disciplinary reasons, or a recipient voluntarily withdraws from medical school, the scholarship recipient is immediately liable for all scholarship funds received, plus accrued interest at the rate stated in the scholarship contract.

CONTRACT DEFAULT

A scholarship recipient will be considered in default under the following circumstances:

A. Failure to keep the Board informed of current contact information (phone, address, etc.)
B. Failure to submit reports, forms, transcripts, etc., as required by the Board
C. Failure to obtain Board approval of practice location
D. Failure to begin or complete approved practice obligation
E. Failure to maintain a full-time (minimum of forty hours per week) primary care medical practice
F. Failure to obtain and maintain a valid medical license from the Georgia Composite Medical Board

In the event the Georgia Board for Physician Workforce finds a scholarship recipient in default, the recipient is immediately liable for triple the principal amount of scholarship funds received.

PRACTICE LOCATION ASSISTANCE

The Georgia Alliance of Community Hospitals now sponsors the annual Medical Fair. This function is designed to enable physicians to meet representatives from 35-40 qualifying rural Georgia communities to discuss practice opportunities in our State. Please check their website at http://www.gach.org for information on the 2014 fair.

The Georgia Board for Physician Workforce maintains information pertaining to practice opportunities statewide. Many of these opportunities are rural locations eligible for repayment of the scholarship obligation. In addition, the staff of the Board, through contact with scholarship recipients in practice and rural Georgia communities, will provide information pertaining to practice opportunities from time to time. However, scholarship recipients are responsible for securing a qualifying practice location for themselves. The GBPW IS NOT responsible for locating a suitable practice site for recipients.
